Proposed Rule Reviews

Commission on State Emergency Communications

Title 1, Part 12

The Commission on State Emergency Communications (CSEC) is conducting its annual review of the definitions of the terms "local exchange access line" and "equivalent local exchange access line" as required by Health and Safety Code §771.063(c). CSEC takes no position on whether the current definitions sufficiently define the terms given the disruptive changes caused by advancements in technology, particularly with respect to mobile Internet Protocol-enabled services.

Persons wishing to comment on or recommend amendments to §255.4 may do so by submitting written comments within 30 days following

publication of this notice in the *Texas Register* to Patrick Tyler, General Counsel, Commission on State Emergency Communications, 333 Guadalupe Street, Suite 2-212, Austin, Texas 78701-3942; by facsimile to (512) 305-6937; or by email to csecinfo@csec.texas.gov. Comments should include in the subject line "Comments on CSEC's Annual Review of Rule 255.4."
