May 4, 2019 Election Law Calendar

The uniform election date in May of an even-numbered year is a date in which many local political subdivisions, such as cities, school districts, and water districts have their regular general elections for members of their governing bodies or special elections to fill vacancies. Therefore, this calendar is required to meet the needs of many diverse governmental bodies. If there are questions about the applicability of something in this calendar to your specific election, do not hesitate to call the Elections Division of the Office of the Texas Secretary of State at 1-800-252-VOTE(8683).

1. Note on Campaign Information

Under Title 15 of the Texas Election Code, candidates running for an office must file campaign contribution and expenditure reports. For further information and all questions about such disclosure filings, campaign finance, and political advertising, please contact the Texas Ethics Commission at 201 E. 14th, 10th Floor, Austin, Texas 78701; call 512-463-5800.

2. Note on Statutory References

Unless otherwise indicated, all references are to the Texas Election Code. The county election officer is the county clerk, the county elections administrator, or the county tax assessor-collector, depending on the actions of the county commissioners court. (Secs. 31.031, 31.071 and 31.091). The county voter registrar is the county clerk, the county elections administrator, or the county tax assessor collector, depending on the actions of the county commissioners court. (Secs. 12.001, 12.031, 31.031 and 31.071).

3. Note on May Uniform Date (Odd-Numbered Years)

With few exceptions, counties are not authorized to hold an election ordered by county authority on the May uniform election date in an even-numbered year. A county elections administrator may refuse to provide election services by contract for an election that is held on the May uniform election date in an even-numbered year. (Sec. 41.001(d)). Thus, for May 4, 2019 (odd-numbered year) we return to the general rules: counties are authorized to hold an election ordered by county authority in May 2019; and a county elections administrator may not refuse to provide election services by contract in May 2019.

4. Note on Required Use of County Polling Places

Sections 42.002 and 42.0621 provide that all political subdivisions, including those created under Section 52, Article III or Section 59, Article XVI of the Texas Constitution and located in a county or adjacent to a county of more than
3.3 million people, must use county election precincts. Therefore, all political subdivisions holding an election on May 4, 2019 must use county election precincts and polling places on election day, unless:
1. the political subdivision has not established any temporary branch early voting polling places (the political subdivision only has its main early voting polling place); or
2. the political subdivision conducts early voting by personal appearance at 75 percent or more of its temporary branch polling places on the same days and during the same hours as voting is conducted at the main early voting polling place; and at each remaining polling place for at least two consecutive days of voting during the early voting period, and for at least eight hours on each of the two consecutive days.

5. Note on Notice of Candidate Filing Periods

The authority with whom an application for a place on the ballot is filed must post a Notice of Deadline to File Applications for Place on the Ballot (PDF), listing the filing period dates in a building in which the authority maintains an office. The notice must be posted not later than the 30th day before the first day to file. (Sec. 141.040). If you order a special election to fill a vacancy, the order must include the filing deadline; we recommend posting the notice of the filing period as soon as practicable after a special election is ordered. Note that an application for a place on the ballot for a special election may not be filed before the election is ordered.

6. Note on Joint Election Requirement for School Districts

School districts conducting trustee elections must have joint polling places on election day with either:

1. a city holding an election on the uniform election day (located wholly or partly within the school district’s boundaries);
2. a public junior college district if it is having an election for members of its governing board in which the school district is wholly or partly located;
3. in limited circumstances, a hospital district; or
4. the county on the November uniform election day in even-numbered years.

For purposes of this calendar, we will continue to use separate subheads for cities and school districts when their rules are different. However, many entities will be working out joint election agreements. (Sec. 11.0581, Texas Education Code; Sec. 271.002).

7. Note on Joint Elections Generally

Many entities will have joint elections for the May 4, 2019 election. Note that the entries in this calendar are generally written in terms of elections held individually rather than jointly. For example, cities are advised about conducting two 12-hour days for early voting. However, we have long advised different entities who conduct early voting together to coordinate their early voting hours, which may result in entities other than cities also holding early voting on two 12-hour days. On the other hand, depending on the plan, different entities may choose to do different things separately, i.e., not holding early voting together. Not all joint election plans are alike. With a few exceptions, we do not discuss the impact of coordinating rules for a joint election, as we think this would make the calendar longer and confusing. We encourage joint election partners to read through the entire calendar, taking note of the rules affecting the partner entities and to address the differences within the agreement itself. If you have questions about how different rules apply to a particular joint election plan, please contact our office by phone or email.

8. Note on Notice of Elections

Political subdivisions other than cities and school districts may have specific statutory notice requirements. In the absence of specific statutory requirements, such political subdivisions must post a notice on or before the 21st day before the election. (Sec. 4.003(b)). For the Saturday, May 4, 2019 election, this notice must be posted on or before Monday, April 15, 2019. (Sec. 1.006, 4.003(b)). The general rule is that, additionally, notice must be given using one of the following methods:
A. By posting a notice in each election precinct in which the election is to be held on or before the 21st day before the election, Monday, April 15, 2019. (Secs. 1.006, 4.003(a)(2)).
B. By publishing the notice at least once between the 30th day and the 10th day before the election, Thursday, April 4, 2019 – Wednesday, April 24, 2019. (Sec. 4.003(a)(1)).
C. By mailing a copy of the notice to each registered voter of the territory covered by the election, not later than the 10th day before election day, Wednesday, April 24, 2019. (Sec. 4.003(a)(3)).

This notice must include:

1. The type and date of the election;
2. The location of each polling place;
3. The hours the polls will be open;
4. The location of the main early voting polling place;
5. The regular dates and hours for early voting by personal appearance;
6. The dates and hours of any Saturday or Sunday early voting, if any; and
7. The early voting clerk’s mailing address.
8. We recommend that the information regarding branch early voting locations be included as part of your notice.

The following forms may be used:

- Notice of General Election for Cities (PDF)
- Notice of General Election for Other Political Subdivisions (Including Schools) (PDF)
- Notice of Special Election for Counties (PDF)

Notice for Bond Elections: Entities holding bond elections must provide additional notice per Section 4.003(f). A debt obligation order under Section 3.009 must be posted:

1. On election day and during early voting by personal appearance, in a prominent location at each polling place.
2. Not later than the 21st day before the election, in three public places in the boundaries of the political subdivision holding the election.
3. During the 21 days before the election, on the political subdivision’s Internet website, prominently and together with the notice of the election and the contents of the proposition, if the political subdivision maintains an Internet website.

All Political Subdivisions: The election notice shall be posted on the political subdivision’s website, if the political subdivision maintains a website. For political subdivisions other than counties or cities, the original order and notice should include all days and hours for early voting by personal appearance, including voting on ANY Saturday or Sunday. (Secs. 85.006; 85.007). Note for cities, the election notice must be subsequently amended to include voting ordered for ANY Saturday or Sunday and must be posted on the political subdivision’s website, if maintained.

Cities and School Districts: Cities and school districts are required to publish their notice in a newspaper in accordance with Section 4.003(a)(1) and may also give any additional notice. (Sec. 4.003(c)).

Home-Rule Charter Cities: Home-rule cities MUST also give notice as provided in their charters.

Cities: Cities must choose two weekdays to be open for 12 hours during the regular early voting period. The city council must choose the two weekdays and the hours the site will be open, and include that information in the notice. (Sec. 85.005(d)).

All Political Subdivisions, Except Counties: The governing body of a political subdivision must deliver notice of the election to the county election officer and voter registrar of each county in which the political subdivision is located not later than the 60th day before election day, Tuesday, March 5, 2019. (Sec. 4.008).
9. Note on Extended Early Voting Hours and Branch Locations

Cities: Cities must choose two weekdays for the main early voting polling place to be open for 12 hours during the regular early voting period. The city council must choose the two weekdays. (Sec. 85.005(d)). The city secretary may also order early voting on a Saturday or Sunday, and determine the hours for such Saturday or Sunday early voting. This must be done by written order. (Sec. 85.006(b), (c)). Notice of Saturday or Sunday early voting must be posted for at least 72 hours immediately preceding the first hour that voting will be conducted. (Sec. 85.007(c)). The notice shall be posted on the bulletin board used for posting notice of meetings of the city’s governing body if the early voting clerk is the city secretary, as well as on the political subdivision’s website, if maintained. (Secs. 85.007(c); 85.007(d)). The city secretary must have early voting on Saturday or Sunday, if a written request (PDF) is received from at least 15 registered voters of the city in time to comply with the posting requirement. (Secs. 85.006(d); 85.007). The written request for Saturday and Sunday hours must be received in time for the early voting clerk to comply with the 72-hour notice posting requirement before the start of early voting. (Secs. 85.006(d); 85.007(c)).

All Political Subdivisions, Except Counties & Cities: Voting on ANY Saturday or Sunday must be included in the order and notice of election. The order and notice must include the dates and hours of Saturday or Sunday voting. (Secs. 85.006, 85.007). The election notice must be posted on the political subdivision’s website, if the political subdivision maintains a website. (Sec. 85.007). The political subdivision must have early voting on Saturday or Sunday, if a written request is received from at least 15 registered voters of the political subdivision in time to comply with the posting requirement. (Sec. 85.006(d)).

10. Note on Notice of Previous Polling Place

If a different polling place is being used from the previous election held by the same authority, a Notice of Previous Precinct (PDF) must be posted at the entrance of the previous polling place informing voters of the current polling place location, if possible. (Sec. 43.062).

11. Note on Testing Tabulating and Electronic Voting Equipment

Ballot Testing:

Once all candidate filing deadlines have passed, we recommend that you proof and test your ballot programming as soon as possible. Early testing will allow adequate time to locate any errors and make any necessary corrections in ballot programming. We also strongly suggest that you have candidates proof their names and offices before finalizing the ballot to avoid the necessity for last minute ballot corrections.

Logic and Accuracy Test:

We recommend establishing a date to perform the test of your electronic voting equipment (L&A, or Logic and Accuracy Test) as soon as possible. We recommend that this test be performed on a date that allows time to correct programming and retest, if necessary. A notice of this test must be published by the custodian of the electronic voting equipment at least 48 hours before the date of the test. (Sec. 129.023; Tex. Sec’y of State Election Advisory No. 2014-06). The L&A test must be conducted not later than 48 hours before voting begins on a voting system. (Sec. 129.023).

Testing Tabulating Equipment:

The automatic tabulating equipment used for counting ballots at a central counting station must be tested three times for each election. (Ch. 127, Subch. D). We recommend you test the equipment as soon as possible; early testing will allow adequate time to locate any errors and make any necessary corrections in programming. However, the first test must be conducted at least 48 hours before the automatic tabulating equipment is used to count ballots voted in the election. The second test shall be conducted immediately before the counting of ballots with the equipment begins. The third test must be conducted immediately after the counting of ballots with the equipment is completed. Please note that the custodian of the automatic tabulating equipment must publish notice of the date, hour, and place of the first test in a newspaper at least 48 hours before the date of
the test. (Sec. 127.096). The electronic files created from the L&A testing are what must be used for testing the tabulating equipment. (Tex. Sec’y of State Election Advisory No. 2018-34)

Precinct tabulators must also be tested in accordance with the procedures set forth in Chapter 127, Subchapter D of the Texas Election Code to the extent those procedures can be made applicable. (Sec. 127.152; Tex. Sec’y of State Election Advisory No. 2018-34).

Our recommendation is that both L&A testing and testing of the automatic tabulating equipment take place prior to ballots by mail being sent out. However, should there be a reason to delay testing, please be advised that L&A testing must be conducted at least 48 hours before voting begins on a voting system. This means that L&A testing should be completed before early voting and possibly, before election day, if your election day system is different than your early voting system. Additionally, the automatic tabulating equipment may not be used to count ballots voted in the election until a test is successful.

For more information on testing tabulating equipment used at the central counting station, please see Chapter 127, Subchapter D of the Election Code and Tex. Sec’y of State Election Advisory No. 2018-34. See Chapter 129, Subchapter B of the Election Code and Tex. Sec’y of State Election Advisory No. 2018-34 for other types of testing such as functionality tests, logic and accuracy tests, tests for central accumulators, etc. See also Tex. Sec’y of State Election Advisory No. 2018-34

12. Note on Voting Order Priority

Section 63.0013 provides that an election officer may accept a person with a mobility problem that substantially impairs a person’s ability to ambulate who is offering to vote before accepting others offering to vote at the polling place who arrived before the person. For additional information, please see our Election Judges and Clerks Handbook (PDF).

The recommended time to include this notice on a county website is when the Notice of Election is also posted on the website. (Sec 85.007(d)). See Note 8 regarding Notice of Elections.

Cities, Schools, and Other Political Subdivisions: It is strongly recommended that the notice regarding accepting voters with certain disabilities also be posted on the subdivision’s website, if one is maintained by the political subdivision.

The sample form (PDF) is available.

13. Note on law regarding faxed or emailed ABBMs and faxed FPCAs

If an ABBM is faxed or emailed or if an FPCA is faxed, then the applicant must submit the ORIGINAL application BY MAIL to the early voting clerk so that the early voting clerk receives the original no later than the 4th business day after receiving the emailed or faxed ABBM or faxed FPCA. If the early voting clerk does not receive the original ABBM or FPCA by that deadline, then the emailed or faxed ABBM or faxed FPCA will be considered incomplete, and the early voting clerk may NOT send the applicant a ballot. The early voting clerk should retain a copy of the FPCA for their own records, but should send the FPCA submitted by the voter to the Voter Registrar for registration purposes.

If a voter faxes or emails the ABBM or faxes the FPCA, the date the early voting clerk receives the FAX or EMAIL is considered the date of submission. Essentially, the faxed or emailed form serves as a place-holder for the voter. Therefore, a voter whose application was faxed or emailed by the 11th day before election day (the deadline), and whose original application is received or before the 4th business day after that date, would still be entitled to receive a ballot for the election (if otherwise eligible). The early voting clerk will have to hold the faxed or emailed ABBM or faxed FPCA until the clerk receives the original, and would only send the voter a ballot if the original is received by the 4th business day after the faxed or emailed ABBM or faxed FPCA was received. See Tex. Sec’y of State Election Advisory No. 2018-02.

The requirement to mail the original application does not apply to an emailed FPCA.

Deadline for political subdivisions to order a general election to be held on Saturday, May 4, 2019, unless otherwise provided by the Election Code. (Sec. 3.005). One of the following forms may be used:

Order of Election for Municipalities
Order of Election for Other Political Subdivisions (Including Schools)

The order must include:

1. The date of the election;
2. The offices or measures to be voted on;
3. The location of the main early voting polling place;
4. The dates and hours for early voting (recommended for counties and cities, but required for all other entities). (Cities must include the two designated weekdays for which early voting will be held for 12 hours);
5. The dates and hours of any Saturday and Sunday early voting (if applicable, it is recommended that this information be included in the order for counties and cities, but it must be included for all other entities);
6. The early voting clerk's official mailing address;
7. Recommended: Branch early voting polling places (see Note 10, above)

In addition to the information included above, an order for a debt obligation (bond) election must include (Sec. 3.009):

1. the proposition language that will appear on the ballot;
2. the purpose for which the debt obligations are to be authorized;
3. the principal amount of the debt obligations to be authorized;
4. that taxes sufficient to pay the annual principal of and interest on the debt obligations may be imposed;
5. a statement of the estimated tax rate if the debt obligations are authorized or of the maximum interest rate of the debt obligations or any series of the debt obligations, based on the market conditions at the time of the election order;
6. the maximum maturity date of the debt obligations to be authorized or that the debt obligations may be issued to mature over a specified number of years not to exceed 40;
7. the aggregate amount of the outstanding principal of the political subdivision's debt obligations as of the beginning of the political subdivision's fiscal year in which the election is ordered;
8. the aggregate amount of the outstanding interest on debt obligations of the political subdivision as of the beginning of the political subdivision's fiscal year in which the election is ordered; and
9. the ad valorem debt service tax rate for the political subdivision at the time the election is ordered, expressed as an amount per $100 valuation of taxable property.

Recommended date to order the lists of registered voters from the county voter registrar. The list should include both the voters’ residences and mailing addresses in order to conduct early voting by mail. (Sec. 18.006). The political subdivision should confirm that the most recent maps or boundary changes have been provided to the voter registrar.

Recommended date to confirm telephone number for the county voter registrar's office on election day.
Recommended date to order election supplies, other than ballots. (Subchapter A, Chapter 51).

Recommended date to appoint presiding and alternate judges. Currently, the Election Code does not establish a deadline for appointing election officials; there is only a notification deadline. For further information concerning procedures for appointing judges and their alternates, see Sections 32.005, 32.008, and 32.011. General eligibility requirements are found in Subchapter C, Chapter 32. In addition to appointing a judge and alternate judge for each election precinct pursuant to Sections 32.001 and 32.005, the governing body must allow the judge to appoint no less than two clerks; however, the alternate judge must serve as one of the clerks as a matter of law. (Secs. 32.032, 32.033). The presiding judge then appoints an additional clerk(s), but not more than the maximum set by the governing body. (Sec. 32.033). Presiding judges and their alternates must be given a Notice of Appointment not later than the 20th day after the appointment is made. (Sec. 32.009). If the appointment is for a single election, the notice may be combined with the Writ of Election, which is required to be delivered to each presiding judge not later than the 15th day before the election, Friday, April 19, 2019. (Sec. 4.007, 32.009(e)). If the notices are combined, both must be delivered by the date required by the earlier notice.

Water Districts:  A water district is not required to provide a Notice of Appointment to a presiding judge, as required under Section 32.009, but must provide a Writ of Election. (Sec. 4.007; Sec. 49.110, Water Code)

Recommended date to appoint the central counting station personnel (manager, tabulation supervisor and assistants to the tabulation supervisor) if applicable. (Secs. 127.002, 127.003, 127.004, and 127.005). There is no statutory notice requirement for members of the central counting station, but good practice suggests that written notice be given to them.

Recommended date to appoint the presiding judge of the early voting ballot board or to designate the election workers of one election precinct to serve as the early voting ballot board. (Secs. 87.001, 87.002, and 87.004). There is no statutory notice requirement for members of the early voting ballot board, but good practice suggests that written notice be given to them.

Tuesday, February 19, 2019 (74th day before election day)

5:00 p.m. - Deadline for write-in candidates to file Declarations of Write-In Candidacy (PDF) for regular officers for city, school district, library district, junior college district, hospital district, common school districts, Chapter 36 and 49 Water Code districts, and other political subdivision elections, unless otherwise provided by law. (Secs. 144.006(b), 146.054(b), 146.055, Election Code; Secs. 11.056, 11.304, 130.0825, Education Code; Secs. 326.0431, Local Government Code; Sec. 285.131, Health and Safety Code; and Secs. 36.059, 49.101, 63.0945, Water Code). See Candidacy Filing outline for more details.

An application submitted by mail is considered to be filed at the time of its receipt by the appropriate filing authority. (Secs. 143.007(b), 144.005(b)).

Thursday, February 21, 2019 (72nd day before election day)

First day to post Notice of Drawing for Place on Ballot if drawing is to be conducted on Monday, February 25, 2019. This notice must be posted for 72 hours immediately preceding the time of the drawing. (Sec. 52.094(c)).

For an election held by a political subdivision, other than a city, a notice of ballot position drawing must be mailed to candidates by this day (not later than the 4th day before the drawing) if drawing is to be conducted on Monday, February 25, 2019. (Sec. 52.094(d)). Candidates who have not filed by this date should be given a copy of the notice at the time of filing.

For an election held at county or city expense, if a candidate gives the filing authority a written request, accompanied by a stamped, self-addressed envelope, the filing authority must mail the candidate a notice of ballot position drawing. (Sec. 52.094(d)).

Friday, February 22, 2019 (71st day before election day)
5:00 p.m. – Last day for a candidate to withdraw, by submission of a notarized Certificate of Withdrawal or a notarized letter. If a candidate withdraws or is declared ineligible by this date, his or her name is omitted from the ballot. (Secs. 145.092(f), 145.094(a)(4); 145.096(a)(4)).

5:00 p.m. – Last day to withdraw as a write-in candidate in the general election ordered by a political subdivision other than a county. (Secs. 144.006(c), 146.0301; 146.054(c)). (Candidates may use the Certificate of Withdrawal (PDF)).

Recommended first day that an election may be cancelled if all filing deadlines have passed, each candidate for an office listed on the ballot is unopposed (except as discussed below), and write-in votes may be counted only for names appearing on a list of write-in candidates. (Sec. 2.052). The Certification of Unopposed Candidates for Other Political Subdivisions may be used to certify candidates as unopposed. Also, see our Sample Order of Cancellation.

A special election of a political subdivision is considered to be a separate election with a separate ballot from a general election for officers of the same political subdivision held at the same time as the special election. Therefore, the fact that there may be a proposition on the ballot will not prevent a cancellation of an election for candidates who are unopposed. (Sec. 2.051(a)). If any members of the political subdivision’s governing body are elected from territorial units such as single member districts, an election may be cancelled in a particular territorial unit if each candidate for an office that is to appear on the ballot in that territorial unit is unopposed and no opposed at-large race is to appear on the ballot. An unopposed at-large race may be cancelled in an election regardless of whether an opposed race is to appear on the ballot in a particular territorial unit. (Sec. 2.051(b)). This recommended cancellation deadline presumes a filing deadline of Friday, February 15, 2019 and a write-in deadline of Tuesday, February 19, 2019. For additional information, consult the outline on Cancellation of Election for Local Political Subdivisions.

Political Subdivision Holding a Special Election to Fill a Vacancy: If you are having a special election to fill a vacancy for an unexpired (partial) term, you must not cancel the special election until after all deadlines to file for a special vacancy election have passed.

Saturday, February 23, 2019 (70th day before election day)

Last day to order a special election to fill a vacancy (if authorized to fill vacancies by special election) and have the filing deadline be the 62nd day before election day. (Secs. 201.054(a)(1)), 201.052. Please note that the Election Code requires the election to be ordered as soon as practicable after the vacancy occurs. (Sec. 201.051). The following form may be used: Order of Special Election for Municipalities.

Section 201.054 provides that if the special election is ordered (1) on or before the 70th day before election day, the candidate application must be filed by 5:00 p.m. on the 62nd day before election day, or (2) after the 70th day but on or before the 46th day before election day, the candidate application must be filed by 5:00 p.m. on the 40th day before election day. This is the first of the two possible ordering times. We do not interpret the 70th day order date here as “moving” to the next business day because the date falls on a Saturday, as this is not the last day to order a special election to fill a vacancy for this uniform election date.

Monday, February 25, 2019 (68th day before election day)

Recommended date to conduct ballot position drawing. (Sec. 52.094).

After the ballot drawing has occurred, the Elections Division recommends that you proof and test your ballot programming as soon as possible and prior to the deadline to mail a ballot if the political subdivision will be using automatic tabulating equipment to count the mail ballots or if your mail ballots are printed from the same database used to program your precinct scanners and/or DREs (See Note 12 prior to Calendar of Events). The Elections Division also recommends that you provide candidates with copies of ballot proofs so that candidates may verify the correctness of their names, positions sought, and order of names on the ballot.

The list should only include voters that reside in the political subdivision holding the election. The list should only be created and sent to those political subdivisions that have provided notice of the election to the county clerk/elections administrator. See also, the note below and the entry at Tuesday, April 23, 2019, for more information about delivery of a final list of voters. See entry at Wednesday, May 1, 2019 for more information on the delivery of copies/images of the applications.

Section 86.0015 requires the county clerk/elections administrator to provide a list of voters that have submitted an annual application for ballot by mail to all political subdivisions in their county holding an election. The law only applies to elections for which the county clerk/elections administrator is not the early voting clerk via a contract for election services or joint election agreement. The Election Division strongly recommends that the county and political subdivisions discuss the frequency and method for which these lists should be transmitted to ensure that ballots are sent out in a timely manner. Finally, the county clerk/elections administrator must deliver either photocopies or scanned images of the applications (under Section 87.126) to the early voting clerk of the political subdivision before the ballots by mail are delivered to the early voting ballot board for qualifying and counting under Section 87.041.

(For more information about the write-in declaration deadline, see Monday, March 4, 2019 note entry. For more details about Section 201.054 and the two possible special election deadlines, see Saturday, February 23, 2019 note entry.)

The SOS recommends you complete your first round of testing prior to mailing your mail ballots if those ballots will be counted using automatic tabulation equipment. If you conduct your first round of testing by this date, you must publish notice of the test 48 hours prior to testing. See Note 12, above.

Deadline to mail ballots to military or overseas voters who already submitted their ballot requests via a federal postcard application (FPCA) or via a standard application for ballot by mail (ABBM) and indicated that they are outside the United States. Ballots must be mailed by this date or the 7th day after the clerk receives the application. If the early voting clerk cannot meet this 45th-day deadline, the clerk must notify the Secretary of State within 24 hours. (Sec. 86.004(b)).

April

Thursday, April 4, 2019 (30th day before election day)

Last day to register to vote or make a change of address effective for the May 4, 2019 election. (Secs. 13.143, 15.025).

A Federal Postcard Application (FPCA) also serves as an application for permanent registration under Texas law unless the voter marked “do not intend to return” (2011 form), or “my return is not certain” (2017 form). The early voting clerk should make a copy (for mailing ballots, keeping records, etc.), then should forward the original to the county voter registrar, as soon as practicable. (Sec. 101.055; 1 Tex. Admin. Code Sec. 81.40(a), (c)(2)).

First day of period during which notice of election must be published if the method of giving notice is not specified by a law outside the Election Code, and publication is the selected method of giving notice. (Sec. 4.003(a)(1)). The notice of election ordered by an authority of a city or school district must be given by publication in a newspaper in addition to any other method specified. (Secs. 4.003(c) and (d)). This notice may be combined with the other notices you are required to publish.

Recommended date for early voting clerk to issue order calling for appointment of signature verification committee. (Sec. 87.027). This form may be used to issue order: Order Calling for Signature Verification Committee. If the signature verification committee will start meeting on Sunday, April 14, 2019, the early voting clerk must post a copy of the order calling for appointment of the signature verification committee on or before this date, in order to give notice of the meeting. The order must remain posted continuously for at least 10 days before the first day the committee meets. (Sec. 87.027, 1.006).

Cities, Schools, and Other Political Subdivisions: It is strongly recommended that the Notice of Voting Order Priority for voters with mobility issues also be posted on the subdivision’s website, if one is maintained by the political subdivision. (Secs. 63.0013 & 85.007(d)). For more information on this requirement, see Note 13.

Friday, April 5, 2019 (29th day before election day)
Recommended last day for early voting clerk to coordinate with the voter registrar receipt of supplemental and registration correction lists, if applicable, or coordinate receipt of revised original list from the voter registrar for early voting by personal appearance. (Secs. 18.001; 18.002; 18.003; 18.004).

Tuesday, April 9, 2019 (25th day before election day)

Last day for the governing body of political subdivision to appoint a signature verification committee (if one was ordered by the early voting clerk on Thursday, April 4, 2019). See also entry under Thursday, April 4, 2019. (Secs. 51.002, 87.027). The appointing authority must post a notice of the appointment of committee members continuously until the last day the signature verification committee meets. This form may be used for the notice: Notice of Appointment of Signature Verification Committee.

Sunday, April 14, 2019 (20th day before election day)

Monday, April 15, 2019 (19th day before election day)

Last day to post notice of election on bulletin board used for posting notices of meetings of governing body. (Sec. 4.003(b)). A Record of Posting Notice of Election should be completed at the time of posting. (Secs. 1.006; 4.005).

Last day to post notice of election in each election precinct, if the method of giving notice is not specified by a law outside the Election Code and notice is given by this method in lieu of publication. (Secs. 1.006; 4.003(a)(2)). Cities and school districts must publish their notice in the newspaper. A Record of Posting Notice of Election should be completed at the time of posting. (Secs. 1.006; 4.005).

All Political Subdivisions: The election notice shall be posted on the political subdivision’s website, if the political subdivision maintains a website.

Deadline for a person who is not permanently registered to vote to submit a postmarked FPCA, in order to receive a ballot for any non-federal election held on May 4, 2019. A person submitting who is not permanently registered to vote and submits a postmarked FPCA after this date and before election day is not entitled to receive a ballot for any non-federal election. See Friday, April 19, 2019 entry for timeliness of an FPCA received without a postmark. (Secs. 1.006; 101.052(e)).

Be sure to check the list of registered voters for permanent registration status. Also, state law authorizes an FPCA to also serve as an application for permanent registration; therefore, the person might be permanently-registered based on a prior-FPCA. Even if the FPCA arrives too late for a particular election, the early voting clerk will still need to forward the original FPCA to the county voter registrar, after making a copy for your early voting clerk’s use (mailing ballots, etc.) and records unless the voter marked “do not intend to return” (2011 form), or “my return is not certain” (2017 form) in which case, it will not serve as a permanent registration. (Sec. 101.055; 1 Tex. Admin. Code Sec. 81.40).

Overseas (non-military) voters marking the FPCA “do not intend to return” (2011 form) or “my return is not certain” (2017 form) receive a federal ballot only regardless of the date filed. (Chapter 114). In a local election (where there is no federal office on the ballot), this means there is no ballot to send the voter.

Tuesday, April 16, 2019 (18th day before election day)

If a defective application to vote early by mail is received on or before this date, the early voting clerk must mail the applicant a new application with explanation of defects and instructions for submitting the new application. For defective applications received after this date and before the end of early voting by personal appearance, the early voting clerk must mail only the Notice of Rejected Application for Ballot by Mail and a statement that the voter is not entitled to vote early by mail unless he or she submits a sufficient application by the deadline, which is Tuesday, April 23, 2019. (Secs. 84.007(c); 86.008).

Wednesday, April 17, 2019 (17th day before election day)

**Friday, April 19, 2019 (15th day before election day; day before first day of early voting in person)**

Deadline to receive an FPCA without a postmark. If an FPCA is received by this date without a postmark to prove mailing date, the early voting clerk will accept the FPCA and mail the applicant a full ballot even if the applicant is not a permanently registered voter but meets the requirements under Title 2 of the Election Code. (Sec. 101.052(i)). See Note under entry for Monday, April 15, 2019.

Last day to conduct public L&A test of a voting system. We highly recommend that this test is done on an earlier date to allow time for corrections to programming, if necessary. (See Note 12, above). Per Section 129.023, the L&A test shall be conducted not later than 48 hours before voting begins on such voting systems, assuming that the voting system will first be used for early voting in person.

Last day to notify election judges of duty to hold election (Writ of Election). Notice must be given by the 15th day before the election or the 7th day after the day the election is ordered, whichever is later. The Writ of Election must be given to each presiding judge and include:
1. The judge’s duty to hold the election;
2. The type and date of election;
3. The polling place location at which the judge will serve;
4. The polling place hours; and
5. The maximum number of clerks the judge may appoint.
(Sec. 4.007).

Last day for a voter to hand-deliver their application for a ballot by mail (Sec. 84.008)

**Monday, April 22, 2019 (12th day before election day; day before the last day to apply for a ballot by mail)**

**First day to vote early in person.** (Sec. 85.001(a)).

**Political Subdivisions Other than Cities and Counties:** Early voting in person must be conducted at least eight (8) hours each weekday that is not a legal state holiday unless the political subdivision has fewer than 1,000 registered voters, in which case early voting in person must be conducted for at least three (3) hours per day. (Sec. 85.005(b)).

**Cities and counties:** Early voting in person must be conducted on the weekdays of the early voting period and during the hours that the county clerk’s or city secretary’s main business office is regularly open for business. (Sec. 85.005(a)). However, because cities and counties must have office hours for election-related business at least three (3) hours every business day for this type of election (see Friday, March 15, 2019 entry), we harmonize these requirements with the result that, if a city or county is not regularly open for business on one or more weekdays, on those “closed” days, a city or county must conduct early voting for at least three (3) hours a day at the main early voting location (except for a city’s two 12-hour days, when it must be open for the full 12 hours).

**Cities:** Cities must choose two weekdays for the main early voting polling place location to be open for 12 hours during the regular early voting period. The city council must choose the two weekdays. (Sec. 85.005(d)).

**Independent School Districts:** Despite the change in state law that allows an ISD to be closed on school holidays during the mandatory office hours period, you are required to be open during the entire early voting period, except on legal state and national holidays.

**Joint Elections:** If conducting early voting by personal appearance jointly, we recommend a unified schedule covering all requirements; i.e., no entity’s requirements should be neglected or subtracted as a result of a joint agreement.
First day a county with a population of 100,000 or more that is holding a county-ordered election on May 4, 2019, or entities that have are having joint elections with such a county may convene their early voting ballot board and begin processing and qualifying mail ballots; however, the mail ballots may not be counted until (i) the polls open on election day, or (ii) for a county with a population of 100,000 or more that is holding a county-ordered election on May 4, 2019, or entities that are having joint elections with such a county, the end of the period for early voting in person. (Sec. 87.0241). The early voting clerk shall continuously post notice for 24 hours preceding each delivery of voting materials that is to be made before the time for opening the polls on election. (Sec. 87.0222). This law only applies to May of an odd-numbered year. NOTE: results may not be released until the polls close on election day.

The county clerk/elections administrator must ensure that photocopies or scanned images of annual applications for ballot by mail have been delivered to the early voting clerk of every political subdivision holding an election before the ballots by mail are delivered to the early voting ballot board.

A voter who becomes sick or disabled on or after this date may vote a late ballot if the sickness or disability prevents the voter from appearing at the polling place without the likelihood of needing personal assistance or of injuring his or her health. (Sec. 102.001). See Application for Emergency Early Voting Ballot Due to Sickness or Physical Disability (PDF). An application may be submitted after the last day of the period for early voting by personal appearance and before 5:00 p.m. on Election Day. (Sec. 102.003).

**Tuesday, April 23, 2019 (11th day before election day)**

Last day to receive an FPCA from a voter. (Sec. 101.052(b), (f)).

Last day for early voting clerk to receive applications for a ballot to be voted by mail. (Sec. 84.007(c). All applications to vote by mail must be received by the early voting clerk before the close of regular business or 12 noon, whichever is later. Applications to vote by mail must be submitted by mail, common or contract carrier, fax (if a fax machine is available in the office of the early voting clerk), or by electronic submission of a scanned application with an original signature. The early voting clerk’s designated email address must be posted on the Secretary of State’s website.

If an ABBM is faxed or emailed or if an FPCA is faxed, then the applicant must submit the ORIGINAL application BY MAIL to the early voting clerk so that the early voting clerk receives the original no later than the 4th business day after receiving the emailed or faxed ABBM or faxed FPCA. If the early voting clerk does not receive the original ABBM or FPCA by that deadline, then the emailed or faxed ABBM or faxed FPCA will be considered incomplete, and the early voting clerk may NOT send the applicant a ballot. The requirement to mail the original application does not apply to an emailed FPCA. For additional information on this law, please see Note 14, above.

Last day for county clerk/elections administrator to deliver final list of voters that have submitted an annual application for ballot by mail to political subdivisions located within the county holding an election on May 4, 2019, for which the county clerk/elections administrator is not the early voting clerk via a joint election agreement or contract for election services.

We highly recommend that this test is done on an earlier date to allow time for corrections to programming, if necessary. (See Note 12, above).

Sick and disabled persons may vote at the main early voting polling place if electronic voting systems are used at regular polling place(s) on election day and the voter has a sickness or condition that prevents the voter from voting in the regular manner without personal assistance or likelihood of injury. (Sec. 104.003). However, if the early voting ballots by mail are processed at a location other than the main early voting polling place, the early voting clerk may require the voting to be conducted at that location. (Sec. 104.003).

If the early voting clerk cannot determine whether a ballot arrived before that deadline, the ballot is considered to have arrived at the time the place at which the carrier envelopes are deposited was last inspected for removal of returned ballots. (Sec. 86.007(b)). The early voting clerk must check the mailbox for early voting mail ballots at least once after the time for regular mail delivery. (Sec. 86.007(b)).

If ballots are to be delivered before election day, the early voting clerk must post notice at least 24 hours before each delivery at the main early voting polling place.

**Exception:** a county with a population of 100,000 or more that is holding a county-ordered election on May 4, 2019, or entities that are having joint elections with such a county may process the ballots (i.e., qualify, and accept or reject, but not count) as early as the 8th day before the last day of early voting by person; in such an election, votes may be counted no earlier than the end of the period for early voting by personal appearance; the results may not be released until the polls close on election day.
