# QUALIFYING FOR OFFICE

# Qualifying for Office-Generally

- Absent specific statutory language to the contrary, a winning candidate may qualify for office immediately once he/she receives the certificate of election.
  - However, a candidate **may not** qualify for an office involved in a recount before completion of the recount, **unless** he/she received a certificate of election and qualified for the office ***before*** the recount petition involving that office was submitted.

# Exceptions

- **Note:** With few exceptions, most officers-elect must be a registered voter in time to be sworn in.
  - See our FAQ (available online)
  - **Does not** apply to (1) a member of the governing body of a district created under Section 52(b)(1) or (2), Article III, or Section 59, Article XVI, Texas Constitution; or (2) an office for which the federal or state constitution prescribes exclusive qualification requirements (most water districts).

# Certificate of Election

- When is the certificate of election completed?
  - *After* the completion of the canvass
  - The presiding officer of the local canvassing authority prepares the certificate for each candidate who is elected to an office for which the official result is determined by that authority's canvass. (Sec. 67.016)

# Certificate of Election

- Who is the presiding officer of the canvassing authority?
  - Municipal elections: Mayor
  - County elections: County Judge
  - Primary elections: County Chair
  - All other political subdivisions elections: Board President

# Contents of Certificate of Election

- **What does the Certificate of Election contain?**

  - The office to which the candidate is elected;
  - A statement that the candidate has been elected to an unexpired term, if applicable;
  - The date of election;
  - Signature of the officer preparing the certificate;
  - Any seal used by the officer preparing the certificate to authenticate documents that the officer executes or certifies.  
[Sec. 67.016]

# Certificate of Election

- **Note:** A sample certificate of election form is available online. Entities may also use this as a model to make their own.
- ***Recommendation.*** We recommend that the presiding officer issue the Certificate of Election at the canvass meeting.

# Certificate of Election

- **Note:** In some political subdivisions, the newly-elected officers **may not** assume the duties of office until a certain date.
  - Example: Section 22.006 of the Local Government Code states that a newly-elected municipal officer of a Type A city may exercise the duties of office beginning on the fifth day *after* the date of the election, excluding Sundays.
  - No** newly elected official may qualify for office before the official canvass of the election has been conducted (or would have been conducted, in the event of a cancelled election.)

# Statement of Officer

- Before an elected (or appointed) officer may assume the duties of the office, the officer must first file a Statement of Officer with the official records of the governing body. [Tex. Const. Art. XVI, § 1]
- **Note:** Statements of Officer are filed locally, **NOT** with the Secretary of State's office.

# Oath of Office

- **All** elected or appointed officers, before they begin their duties, shall take the Oath of Office. [Tex. Const. Art. XVI, § 1]

# Oath of Office

- **Administering oath of office.** The Oath of Office must be administered by someone authorized to administer an oath under Texas law. The oath may be administered by:
  - A judge, clerk, or commissioner of a court of record;
  - A justice of the peace, or clerk of a justice court;
  - The secretary or clerk of a municipality in a matter pertaining to the official business of the municipality;
  - A notary public;
  - The secretary of state;
  - The lieutenant governor;
  - The speaker of the house of representatives;
  - The governor;
  - A member of the legislature or a retired legislator;
  - A judge, retired judge, or clerk of municipal court.

# Oath of Office

- **NOTE:** This is not an exhaustive list. See Chapter 602 of the Government Code for a complete list of other officials who may administer an oath.
- **NOTE:** Special procedures apply to a newly elected director of a water district governed by Chapters 36 or 49 of the Texas Water Code. A duplicate original of the oath (but **not** the statement of elected/appointed officer) shall also be filed with the Secretary of State within 10 days after its execution and need not be filed before the new director begins to perform the duties of office. (Tex. Water Code § 36.055, 49.055).

## Type A Cities

- In a Type A city, the office is **vacant** if the officer is not sworn in by the **30th day after election day**. Thus, the date of swearing-in is critical for a Type A city official.

§22.007, Local Government Code

# Bond

- If a bond is required, the bond **must** be executed before the officer assumes his or her duties.
  - **Water Districts:** Officers must execute a bond for \$10,000 payable to the district. (Water Code, Sec. 49.055(c)).
  - **Type C municipalities:** Mayor and Commissioners must execute a bond for \$3,000 payable to the municipality. (Loc. Gov't Code, Sec. 24.024).
  - Section 22.072 of the Local Government Code states that **Type A cities** have authority to require a bond.

# Holdover

- Until the new officers are qualified, the old members of the governing body “holdover” and continue to perform the duties of their office. [Tex. Const. Art. XVI, § 17].

# Order of Events Following the Election

*We recommend* that post-election procedures occur in the following sequence:

- Election is canvassed at an open meeting.
- Certificate of Election is issued to newly-elected officers.
- Statement of Officer is completed (to be filed locally).
- Newly-elected officers may take the Oath of Office.
- After taking the Oath of Office, newly-sworn officers may assume the duties of their office.
- **Reporting electronic returns to SOS is no longer necessary.**
