House Bill 766 (2025, R.S.) requires a candidate application for precinct chair to include either an email address at which the candidate receives correspondence relating to the candidate's campaign; a telephone number at which the candidate can be reached; or both an email address and a telephone number.

Effects of Redistricting on Precinct Chair Applications

House Bill 4 (89th Leg., 2nd Session) becomes effective December 4, 2025

County election officials for affected counties must begin implementation of redistricting changes locally, which may result in changes to voter registration precincts before the 2026 primary election.

Secretary of State recommends that precinct chair candidates take this process into account before submitting an application.

- Precinct chair candidate may have an application rejected later because the applicable precinct boundaries changed due to redistricting.
- Precinct chair candidates may also withdraw their application if precinct boundaries changed.
- Precinct chair candidates should file an application for the precinct in which they reside under the new boundaries.
