Does the rule organize the material to suit your needs? If not, how could the material be better organized?

Does the rule clearly state the requirements? If not, how could the rule be more clearly stated?

Does the rule contain technical language or jargon that is not clear? If so, what language requires clarification?

Would a different format (grouping and order of sections, use of headings, paragraphing) make the rule easier to understand? If so, what changes to the format would make the rule easier to understand?

Would more (but shorter) sections be better in any of the rules? If so, what sections should be changed?

Each rule will also be reviewed to determine whether it is obsolete, whether the rule reflects current legal and policy considerations, and whether the rule reflects current procedures of the Credit Union Department.

## Adopted Rule Reviews

Texas State Library and Archives Commission

### Title 13, Part 1

The Texas State Library and Archives Commission (commission) adopts the review of Texas Administrative Code, Title 13, Part 1, Chapter 6, concerning State Records, in accordance with Texas Government Code §2001.039.

The commission published its Notice of Intent to Review these rules in the February 21, 2025, issue of the *Texas Register* (50 TexReg 1037). The commission received no comments on the proposed rule review.

As a result of the review, the commission finds that the reasons for initially adopting the rules continue to exist and readopts Chapter 6 in accordance with the requirements of Government Code, §2001.039. However, during the review the commission identified multiple amendments, minor reorganization, and the repeal of one section that are necessary. Therefore, the commission anticipates consideration of proposed amendments and repeal(s) identified as necessary during the rule review at its August 2025 commission meeting.
