**PRELIMINARY DECISION.** The TCEQ Executive Director has completed the technical review of the application and prepared a draft license. The draft license if approved, would establish the conditions under which the facility must operate. The Executive Director has made a preliminary decision that this license, if issued, meets all statutory and regulatory requirements.

The license application, Executive Director's technical summary, and draft license are available for viewing and copying at the TCEQ's central office in Austin, Texas and at Mancuso Neighborhood Library, 6767 Bellfort Avenue, Houston, Texas 77087.

**PUBLIC COMMENT / PUBLIC MEETING.** You may submit public comments or request a public meeting about this application. The purpose of a public meeting is to provide the opportunity to submit comments or to ask questions about the application. TCEQ will hold a public meeting if the Executive Director determines that there is a significant degree of public interest in the application or if requested by a local legislator. A public meeting is not a contested case hearing. After the deadline for submitting public comments, the Executive Director will consider all timely comments and prepare a response to all relevant and material, or significant public comments.

**OPPORTUNITY FOR A CONTESTED CASE HEARING.** After the deadline for submitting public comments, the Executive Director will consider all timely comments and prepare a response to all relevant and material, or significant public comments. **Unless the application is directly referred for a contested case hearing, the response to comments, and the Executive Director's decision on the application, will be mailed to everyone who submitted public comments and to those persons who are on the mailing list for this application. If comments are received, the mailing will also provide instructions for requesting reconsideration of the Executive Director's decision and for requesting a contested case hearing.** A contested case hearing is a legal proceeding similar to a civil trial in state district court.

**TO REQUEST A CONTESTED CASE HEARING, YOU MUST INCLUDE THE FOLLOWING ITEMS IN YOUR REQUEST** your name, address, phone number; applicant's name and license number; the location and distance of your property/activities relative to the facility; a specific description of how you would be adversely affected by the facility in a way not common to the general public; a list of all disputed issues of fact that you submit during the comment period and, the statement "[I/we] request a contested case hearing." If the request for contested case hearing is filed on behalf of a group or association, the request must designate the group's representative for receiving future correspondence; identify by name and physical address an individual member of the group who would be adversely affected by the facility or activity; provide the information discussed above regarding the affected member's location and distance from the

**facility or activity; explain how and why the member would be affected; and explain how the interests the group seeks to protect are relevant to the group's purpose.**

Following the close of all applicable comment and request periods, the Executive Director will forward the application and any requests for reconsideration or for a contested case hearing to the TCEQ Commissioners for their consideration at a scheduled Commission meeting. The Commission may only grant a request for a contested case hearing on issues the requestor submitted in their timely comments that were not subsequently withdrawn.

**The Commission will only grant a contested case hearing on disputed issues of fact or mixed questions of fact and law that are relevant and material to the Commission's decision on the application. Further, the Commission will only grant a hearing on issues that were raised in timely filed comments that were not subsequently withdrawn.**

**EXECUTIVE DIRECTOR ACTION.** The Executive Director may issue final approval of the application unless a timely contested case hearing request or request for reconsideration is filed. If a timely hearing request or request for reconsideration is filed, the Executive Director will not issue final approval of the license and will forward the application and request to the TCEQ Commissioners for their consideration at a scheduled Commission meeting.

**MAILING LIST.** If you submit public comments, a request for a contested case hearing or a reconsideration of the Executive Director's decision, you will be added to the mailing list for this specific application to receive future public notices mailed by the Office of the Chief Clerk. In addition, you may request to be placed on: (1) the permanent mailing list for a specific applicant name and license number; and/or (2) the mailing list for a specific county. Similarly, including clear, succinct statements of recommended changes that can be readily distinguished from any extended analysis is greatly appreciated. As is filing documents in native format, rather than PDF.

If it is determined that any section of Chapter 25 needs to be repealed or amended, and that the repeal or amendment can be completed as a part of this rule review, the commission will include the proposed repeal or amendment into its formal notice of intention to review Chapter 25. Interested persons will have an opportunity to comment on these proposed rule repeals and amendments at that time.

If it is determined that any section of Chapter 25 may need to be repealed or amended, but the repeal or amendment requires further investigation or is inappropriate for consideration as a part of a rule review, the commission may consider the repeal or amendment in a future rule-making proceeding.
