## NEW LAW – Web Posting

Senate Bill 1116 (Bettencourt): Provides new web posting requirements related to election and candidate information.

- **Candidate and Polling Place Information on County, City, and School District Websites:** Not later than the 21st day before election day, a county that holds an election or provides election services for an election must post certain information related to its upcoming elections.
  - The date of the election;
  - The location of each polling place;
  - Each candidate for an elected office on the ballot; and
  - Each measure on the ballot.
- A city or independent **school district** that holds an election and maintains an Internet website **must also post this same election information on its website** even if the county is posting this data.

Effective Date: September 1, 2021  
Statutes Affected: Election Code §§ 4.009, 65.016

## NEW LAW – Web Posting

Senate Bill 1116 (Bettencourt): Provides new web posting requirements related to election and candidate information.

- **Election Results Information on County, City, and School District Websites:**
  - A county that holds an election or provides election services for an election for a public entity must post certain information on their website.
  - **A city or independent school district that holds an election and maintains an Internet website must also post certain information on its website related to election results even if the county is posting such information.**
  - Information should be posted **as soon as practicable** after the election and must be accessible without having to make more than two selections or view more than two network locations after accessing the home page of the county, city or school district, whichever is applicable.
- **Required information on websites:**
  - the results of each election;
  - the total number of votes cast;
  - the total number of votes cast for each candidate or for or against each measure;
  - the total number of votes cast by personal appearance on election day;
  - the total number of votes cast by personal appearance or mail during the early voting period; and
  - the total number of counted and uncounted provisional ballots cast.

Effective Date: September 1, 2021  
Statutes Affected: Election Code §§ 4.009, 65.016

## Early Voting Rosters (TEC 87.121)

- Information contained on Early Voting Rosters (both in-person and by-mail) must be posted on the county's website.
- For each primary or general election for state and county officers, each county shall submit early voting rosters for posting on the SOS website.
  - Information must be posted **no later than 11:00 a.m.** the day after the information is placed on the roster, or the receipt of a mail ballot.
  - The list must include, at a minimum, the name, VUID, and precinct number for each voter.
  - Information is presented on the SOS Website in a downloadable format.

13

## Early Voting Rosters (TEC 87.121)

- If an early voting clerk fails to post their early voting rosters in accordance with Section 87.121, a person registered to vote in the county where the early voting clerk is conducting early voting may file a complaint with the Secretary of State regarding the early voting clerk's noncompliance.
- The Secretary of State by rule shall create and maintain a system for receiving and recording these complaints.
